SIMPLE ONE

The best
Holiday Lighting
Company
business platform

SimpleOne is a reliable
software solution to speed up
your company, from selling to
invoicing. It increases
efficiency and profitability of
your business and makes you
successful in managing your
organization.

SimpleOne has been in
operation since the end of
2016 for several holiday
lighting companies.
SimpleOne had a strategic
role in the startup of a new
company in South Florida for
the 2019-2026 season.
